

Pictons and the Karen's Trust

DATE: December 2009

Pictons Solicitors proudly supported the inaugural fund raising event of the Karen's Trust, which took place on the 6th of December 2009 at the Luton Hoo, Luton.

The five kilometre sponsored run was organised in order to raise funds for the Karen's Trust, whose mission is to open as many dedicated Cancer retreats as possible over the coming years.

The trust, which has connections local to Luton, was recently set up and the trust approached Pictons to support the charity and in particular the sponsored run. Pictons had a team of 12 employees participating in the fun run and made a donation to the charity.

Sukh Saini, a partner with Pictons commented "When we were approached by the trust we were delighted as a firm to support their fund raising and to help in any way we can. We will certainly be looking to continue to support the Karen's Trust over the course of the coming months and years."

For more information about the Trust and its fund raising visit the website at www.thekarentrust.org.
